## FLAMERS NATURAL FIRELIGHTERS

Flamers natural firelighters are made at Certainly Wood from natural, renewable, untreated wood wool & dipped in a fully refined paraffin wax. Odourless and easy to use, you only need one Flamer per fire. Perfect for all fires, including barbecues, Flamers bring all year round sales with excellent margins and are packed in all plastic free packaging.

The range of pack sizes include:

- Mini 3 packs
- 24, 50 & 200 packs
- 1700 loose filled packs
