

PLASTIC FREE FIREWOOD OPTIONS

FIREKITS

The box of kiln-dried firewood is perfect for small storage area, as a quick weekend top up or for customers that can not take bulk deliveries. They include our premium kiln dried logs and each box also includes 3 KindleFlamers. The box contains between 16 and 24 logs. We do not include any plastic packaging with this product, therefore it's not waterproof and needs to be stored in a dry area.

STARTER KITS

The best way to get people using the right kind of fuel is to get them to try it and experience it for themselves. Our new improved kits for this season include premium kiln dried logs & 2 KindleFlamers as well as matches. The box is also printed with a “how to light your fire” guide for those new to woodburning. Perfect as a welcome pack or free gift.

DINKIES SMALL LOGS

The box contains small logs that are under 20cm in length which are suitable for smaller stoves as well as two KindleFlamers for easy firelighting. They work perfectly for lighting fires in smaller stoves and those usually found in yurts and shepherds huts.

OUTDOOR COOKING KITS

Our new outdoor cooking kits include mixed sizes of kiln dried firewood and each kit also contains two KindleFlamers as well as an exclusive recipe card in each box!

They are great for those passionate about spending time outdoors around the fire, and perfect for cooking with on a firepit or for a campfire. Due to their convenient size, they are also suitable for taking along on a camping holiday, with everything you need to light a fire included.
