

Medallion® Turf

A multi-purpose, high-quality turf, specially grown from a blend of the finest fescue and ryegrass cultivars to produce a lawn with an outstanding, mixed fine leaved appearance that is hard wearing, slow growing and drought tolerant.

An award-winning lawn turf that consistently performs across the diverse UK climate.

Consistent performance

- With moderate maintenance, Medallion® turf will be resilient and visually appealing for many years
- Contains cultivars with moderate shade tolerance

Britain's Finest Turf

- Developed and refined by the UK's market leading turf grower, in consultation with the Sports Turf Research Institute (STRI), the UK's leading authority in turfgrass agronomy

Rapid establishment

- A technically superior product that roots aggressively giving early establishment
- One of the lightest turf rolls available making it easy to handle and lay

Fresher for longer

- Our unique Profresh® system and advanced harvesting methods extend the 'shelf-life' of the turf once harvested

Rolawn is certified to BS EN ISO 9001:2015 and BS EN ISO 14001:2015 demonstrating that our processes and systems meet standards that enable us to deliver high-quality products and services to meet customer needs in a responsible manner.

Size and coverage

Each roll covers approximately 1m²

Typical roll dimensions when harvested: 610mm wide x 1640mm long

Cut to a depth of approximately 12.5mm

Approximate roll weight -15kg

Please note:

- Can be laid at any time except in frosty weather
- Turf must be rolled out immediately in spring/summer and within 24 hours of delivery in the autumn/winter
- Rolawn make strenuous efforts to minimise the existence of Annual Meadow Grass (AMG) within its turf, however, under certain circumstances some rolls may have a higher content than others. AMG may become more evident in a lawn dependent on the seasons, onsite growing conditions and maintenance employed
- May contain Oxygrid™ degradable net
